

International Work Day 2018

On Saturday, March 31st, the Alpha Eta Chapter participated in the annual Pike International Work day. From 10am to 4pm, brothers came out to help make improvements to the house. These improvements included: Painting the patio, planting new trees in front of the house, fixing the basketball hoop behind the house, and shining the shield in the chapter room. Below are some pictures of brothers doing their part to help make the house a better place

Brother Jake Sammon helping repair the broken basketball hoop behind the house.

Brothers John Kim (left) and Jack Madden (right) repainting the railing on the back patio

Brother Sedrick Tutu helping paint the patio.

Brothers Matt Steinbach and Kasey Kauffman also helping paint the patio

Brothers Jeremiah Gu (left) and Louis Danner(right) helping remove the tree from the front lawn to make room for a new one.

Brothers Ivan Grela and Kasey Kauffman shining the shield in the chapter room.
